From a member...

Kelly and I hope you've all heard the wonderful good news by now, that our Pastor is helping to create a digital way to bring the gospel to us. We are really looking forward to having access to this new content! Pastor's intent, with financial support from the South Dakota Synod, is to make multiple videos 12-15 minutes in length, that then serve as a launch point for discussion. We would like to trial the content this fall with a small group of other couples who are interested in participating. We envision a casual evening, come as you are, relax and unwind, view the content, and discuss as well as provide feedback. It wouldn't be complete without some kind of food and beverage as well. We can't promise gourmet snacks, but there will always be something available! We look forward to welcoming couples to our home to hear the good news!

-Kelly and Susan Kruse

Leaders will be asked to step forward to be the contact person(s) when parish life events and needs arise or are formulated by the group themselves. At this meeting we will make sure that we have good contact information within the group itself. We will make sure that every household within that group during that three month period of time is specifically invited into the joyous, often servant work of Beaver Valley.

MEALS ON WHEELS

DRIVERS and MEAL RUNNERS NEEDED FOR HOME DELIVERY IN BRANDON

Family Circus

By Bill Keane

Beaver Valley Lutheran is in need of Volunteers to deliver meals to residents of the Brandon community this August 2022.

Meals are delivered to the Splitrock Apartments entry at 1100 Teakwood St about 11:50 am from the Active Generations in Sioux Falls.

Each day the red and blue bags are exchanged for fresh hot meals in the entry of Splitrock Apts. Keep track of your mileage and time each day.

There is a list of names and their addresses with directions on how to get to other apartments and private homes.

First deliver the meals within the Splitrock Apts, load your vehicle and deliver the rest of the meals in Brandon. Depending upon the number of people

receiving meals, it takes approximately one hour to deliver them.

It is a very rewarding experience and families with children may want to consider making it a family service project before school starts. Perfect for students in need of a service project!

A July sign up sheet will be on the bulletin board by the church office, or call Kari @ 582-3504 to schedule a date or dates that are convenient for you.

Beaver Valley's NEXT month to deliver is August 2022.

* Please let me know if you are interested in driving or running meals only.
