From the President...

I told Pastor Greg I would write a message for the July newsletter back about a month and a half ago. I kind of wondered what I would write about. Well I guess the subject matter kind of introduced itself. With the event of the tornado, we as a congregation got turned upside down literally. But you know we will be alright. Your Council is working hard and working with each other to get through this big road block. Our insurance and insurance agent is working with us side by side to get our claim settled. It will not be done fast but hopefully we will do it right. Through the different committees and as a whole congregation, we will dream of what want for a structure.

I need to thank you all for all the help that was given that Monday and the days that followed. Without that help it would have been a disaster but everybody pulled together. There were tears and laughter among the work that day. Your council is here to work and listen, we will have some ups and downs but we will work them out. We can do this as a whole church. We will get it done.

Bruce Bonander
Church Council President

Opportunity: mission development

I remember my junior high football coach seeming to enjoy offering his young athletes something he called “extra opportunity.” This meant, at the end of practice, another set of wind sprints or extended time pushing blocking sleds. In hindsight, the “opportunity” of which he spoke was painful but really *was* an opportunity to get stronger and to be made more ready for the fourth quarter battles that lie ahead.

The Chinese use the exact same symbol to describe “crisis” and “opportunity”. A disruption of any kind, let alone a cataclysmic one, is indeed an opportunity to rebuild or redirect or recommit.

Beaver Valley is already showing signs of seizing the opportunity that God is more than able to inspire in the rebuild of our tornado damaged congregation. And I am struck by how unimportant the new building (structure) is in relation to the opportunity we now have to have long conversations about the fast changing, hurting world in which we live and the ministry that must be ours as we stay relevant in the work to which we are called.

On August 21, our fall schedule will begin in our new, long term, Sunday morning setting: Boom Funeral Home chapel. Our mission developing work is to act like we are brand new congregation, with doors wide open with the expectation that new people will seek and find a loving, caring people of faith in our temporary sanctuary.

We will need lots of teams of people each Sunday for the months ahead to:

- come early to place the “Beaver Valley is Alive!” signage along the highway,
- set up extra chairs in the chapel,
- get a great Sunday School lesson ready for parents with their children,
- get the life-streaming equipment up and ready, and, as we always have,
- get the coffee hour prepared.
- Put everything back and clean things up before we go home.

My sabbatical days, amid everything else, have been a remarkable experience for me. I have had a chance to get outside of Beaver Valley enough to gain some perspective on our ministry and see how solid it is, what kind of a base we must build upon and some real needs that have to be talked about openly in the coming months. Our ministry really is inside and outside our building, always with the goal of eventually coming together, “where two or three gather” (Matt. 18:20), trusting in Christ’s presence in our lives.

Please watch the August newsletter for details pertaining to mission developing training which every member will invited to consider. These days really are an opportunity for Beaver Valley to powerfully live in the years to come.

Many thanks, Pastor Greg

Greetings Pastor Greg, Back in 2014 when CLC was inundated with flood waters, congregations both near and far reached out to help. Since that time, the CLC faith community is drawn to helping out when others have experienced disasters like you have. Please know you're lifted up in prayer and if I / we can do anything, don't hesitate to ask. Peace in Christ, Pr. Tim Thies, Canton Lutheran Church (Canton, SD)

Thank you for your generous contribution to Beaver Valley Lutheran. Your donation will help to rebuild church offices, Sunday school rooms, and a Fellowship Hall. This process will continue for at least the next year and a half and your contribution helps to seek that goal.

Thank you and God Bless each and everyone

Hello Everyone,

Welcome to summer. Just a couple of quick comments. We hope you were able to attend the MidSommer celebration on Sunday the 26th. We continue to marvel at the Church Sanctuary that remains intact. We will move forward to a new and bright future as a church family. Because of the damage and the probable use of or parking lot for demolition and construction, we will be returning to the market approach for our Sweet Corn event. Krista and Dale also feel this is a good approach for this year. We will send you details as this takes shape. We may consider multiple sites and possibly more than one day. Of course, contributing to the market items is encouraged. We would love to see contributions from many. If you have additional ideas please bring them to my attention and I will share with a small group that will finalize the plans as summer moves forward.

Lastly, I want us to consider our direction for the next couple of years. As the Women of the Church, a path forward for us to focus our efforts will keep us together. Whether it is a project locally, in the state or the larger community, it will give us a way to stay connected. All ideas are appreciated. Let's consider a gathering on July the 17th. We could gather after our fellowship time and look to the fall.

Thank you,

Watch for updates on events and church opportunities that will come through from Kari.

Have a wonderful summer.

Sue

Thank you!

We would like to thank our Beaver Valley church family for all the prayers and get well wishes for Ronnie when he was injured in a fall and now healing. We appreciate all the cards and phone calls and food and gifts you all sent. With heartfelt gratitude.

Ron and Jeanne Nelsen

BVLC Church family, Thank you for the card! Next fall I am attending SDSU!

Meals on Wheels

Your help is needed! Beaver Valley delivers hot, nutritious meals to Brandon community shut-ins during the months of March and August. During these months we are in need of people to help deliver meals. The meals are picked up at Splitrock Apartments at 1100 Teakwood St. at 11:50am. **Beaver Valley's month to deliver Meals-on-Wheels is August 2022.** If you would like to help with this great service in Brandon, **a sign-up calendar is posted on the bulletin board at Brandon Lutheran.** It only takes about an hour at noon to deliver the meals, and this is a great opportunity to help others!

MEALS ON WHEELS

DRIVERS and MEAL RUNNERS NEEDED FOR HOME DELIVERY IN BRANDON

Family Circus

By Bill Keane

Beaver Valley Lutheran is in need of **Volunteers** to deliver meals to residents of the Brandon community this August 2022.

Meals are delivered to the Splitrock Apartments entry at 1100 Teakwood St about **11:50 am** from the Active Generations in Sioux Falls.

Each day the red and blue bags are exchanged for fresh hot meals in the entry of Splitrock Apts. Keep track of your mileage and time each day.

There is a list of names and their addresses with directions on how to get to other apartments and private homes.

First deliver the meals within the Splitrock Apts, load your vehicle and deliver the rest of the meals in Brandon.

Depending upon the number of people

receiving meals, it takes approximately one hour to deliver them.

It is a very rewarding experience and families with children may want to consider making it a family service project before school starts. Perfect for students in need of a service project!

A July sign up sheet will be on the bulletin board by the church office, or call Kari @ 582-3504 to schedule a date or dates that are convenient for you.

Beaver Valley's NEXT month to deliver is **August 2022**.

*** Please let me know if you are interested in driving or running meals only.**
