Dear Members of Beaver Valley Lutheran Church,

I hope this message finds you well as we enter the final weeks of summer. It's an exciting time at Beaver Valley as we continue to make strides in several important areas of our church life.

**Final Rebuild Phase:**

We are in the final stages of our rebuild process, working closely with Gil Haugan to complete necessary casework updates that will enable us to pass our final inspections. The plans have been meticulously reviewed by multiple stakeholders, and materials have been ordered to ensure everything meets our specifications. These updates are crucial for installing required ADA-compliant features such as sinks and improved island access in both the kitchen and fellowship hall. Additionally, electrical access is being added to the kitchen island to enhance functionality. Gil Haugan is also addressing some corrections in the office area, which conveniently align with our needs for casework and cabinetry in the classrooms upstairs. This means that the existing casework that is being replaced/corrected in the offices will be used as storage solutions for our Sunday school and archive needs. We are also taking the time to update the sanctuary basement bathrooms to match the rest of the rebuild with updated flooring, paint and vanities.

**Landscaping Renewal:**

Benson's Lawn & Landscaping has graciously scheduled our church for a makeover along the south and west sides. We anticipate a beautiful new landscape just in time for our open house in September. This enhancement will not only beautify our surroundings but also create a welcoming environment for all who visit Beaver Valley.

**Pastoral Search Update:**

Our call committee has been diligently advancing the process of finding our next pastor. They are finalizing our ministry site profile to submit to the Synod, marking a crucial step forward. We eagerly anticipate Rev. Renee Larson's visit during our open house, where she will lead a Sunday morning service and conduct a Ministry Site Survey, engaging directly with our congregation to understand our unique needs and aspirations.

**Interim Pastor Search:**

The executive committee is also actively involved in securing interim pastoral support. We have a promising meeting scheduled with a potential interim pastor on Friday, August 2nd. This step will provide vital guidance and leadership during this transitional period.

**Gratitude:**

Lastly, I want to express my heartfelt gratitude to all our members and friends outside our congregation who have generously supported us during this time of transition. Your willingness to lend a hand and stand together in unity underscores the strength of our community and our shared commitment to the mission of Beaver Valley.

As we look forward to the coming months, I am filled with hope and anticipation for the continued growth and prosperity of our church. Together, let us embrace the opportunities that lie ahead as we navigate this exciting chapter in Beaver Valley's journey.

Warm regards,

David Vanden Hull

President, Beaver Valley Lutheran Church
