Questions People Ask "New" Pastors:

Does the pastor make visits?

Yes, your new pastor does make visits. However, I do not always know when people want or need a pastoral appointment. If you would like me to come and see you at home, in the hospital, or some other location, please let me know, and I will make an appointment to come see you as soon as I possibly can. If you are in need of emergency pastoral care, please call or send me a text at 701-238-2322.

Does the pastor have office hours?

Yes, your new pastor has office hours. I am usually in the office by 9:30, and I stay around the office until 4:00 or 5:00, depending on what is happening in the life of the congregation. I do tend to have an open-door policy, but I am also willing to make appointments if that works better for you.

What does the pastor think of our congregation so far?

I have had many people ask my early opinions of Beaver Valley Lutheran Church. What I have seen so far is a great family of faith that is passionate about building relationships with one another and inviting other people to get to know Jesus. Your worship life is energized, and you love being around each other. This has been an amazing couple of weeks for me. I have enjoyed getting to know some of you and am looking forward to getting to know many more of you and more about you.

What is our pastor's favorite hymn?

I have a deep love for the musical traditions of our denomination and the Church at large. Because of this, I have many favorite hymns. The one that sticks out the most is "A Mighty Fortress is Our God," by Martin Luther. This song is a simple yet strong statement of faith in a God who has overcome every adversary we will face in our lives. Because God has overcome every adversary, we are enabled to live fearlessly and with boldness. Since this song is my favorite, we actually used this hymn as the opening song of our wedding!

How long has Pastor Josh been ordained?

I have been ordained for 21 years. My ordination service took place on June 12, 2004, at House of Prayer Lutheran Church in Oakdale, Minnesota. Kelli's pastor, Pastor Roger Schwartz, ordained me to serve in the Evangelical Lutheran Church in America. The bishop serving the Eastern North Dakota Synod was present along with my seminary advisor and home pastor, Pastor Phil Walen. Life has been one big adventure since then, with God calling me to serve congregations in Gwinner and Fargo, North Dakota, along with Zion in Oelwein, Iowa, and now Beaver Valley Lutheran Church.

I am sure more questions will arise in the days, weeks, months, and years ahead. As they do, please feel free to stop and ask. I may not know all the answers, but if you give me time, I will find someone who does!

Pastor Josh

THANK YOU!!

Thank you to everyone at Beaver Valley Lutheran Church for being so warm and welcoming to our family. We are so excited about what is going on here, and we are thrilled about this new chapter of ministry with all of you! God is good, and God is moving through this congregation! PRAYER GARDEN PROJECT UPDATE

The Prayer Garden is planted! A big THANKS to Kate for all her hard work in getting things ready and keeping things organized. We still have a ways to go with putting down mulch and adding the watering system BUT it is so nice to see the plants in the ground. We will continue with this tremendous project throughout the summer with additions of mulch, benches and garden rocks. Thank You Everyone!

MMSC: Motion to approve May Minutes was made by David VandenHull and seconded by Krista Hanson. Motion carried.

Approval of Treasurer's Report: Will be discussed next month

Business:

- **BVLC Signage at 484th and 266th** - We were contacted by Jacob Maras (605) 759-0585, Engineering Supervisor at Minnehaha County Highway, telling us that we need to move our signage back to the fence line as it is in the line of sight of traffic. – Discussion was held with Doug Ode, and permission was given to move the signage next to the fence.
- **HVAC operation and efficiency** – G&R Electric was contacted about switching the thermostats.
- **Fellowship Hall** – The fans run continuously for quality air control and to draw out humidity, which helps to keep good air inside. The temp in the Fellowship Hall is on one computer which is very technology based, and only 2 people have the knowledge to control it.
- **Office & Classrooms** – All are run by a thermostat and set to 73 degrees.
- **Energy Efficiency** – It was discussed that we would contact a company to run an energy audit for us to see where we can conserve.
- **Playground Equipment** - We received an email on June 3rd from Mandy Waldner (Church Member) regarding playground equipment. She works with the Bishop Dudley Hospitality House and has playground equipment that needs a new home. She is wondering if this is something that the church or preschool would be interested in.

On June 11th, Mandy sent the following email: I spoke to Madeline, who is the executive director. She has a call into Soukup Construction to see if they would be willing to remove the playground equipment for us. We've been told that the concrete is buried about 3 ft deep, and so it will need to be dug up and unassembled. At this time, I don't believe that we will be able to deliver the playground equipment and I'm not sure when we will be able to find someone to dig it out for us. As I get more information, I will pass that on. –A discussion was held, and a decision was made to decline the offer.

- **Library** – The Children's Library corner will be placed in the alcove at the top of the stairs. Books will be ordered from the tornado fund.
- **Pest Control – Mice and Bats** – A motion was made to obtain a quote from Olson's Pest Technicians. Motion was made by Dan Feeken and seconded by Scott Hansel. Payment for this will come from the 2nd Dav Fund.

- **Website** – Looking for people to form a committee to decide what the new website should all contain. We will be obtaining bids for the new website. Motion to make the new website was made by Krista Hanson and Seconded by Amy Johnson.
- **Rally Sunday** – Will be September 7th, 2025. Every committee will have a table for people to consider joining.
- **Midsommar** – The New Horizon's Band held a concert in the fellowship. Ice Cream and Sweet treats were served after the concert. The Frog Dance and Maypole Dance were enjoyed by all.
- **Parking Lot** – A study will be conducted to see what can be done to make the parking lot more user friendly. A motion was made by Amy Johnson and Seconded by David VandenHull. Scott Hansel will chair this committee.
- **Gopher control on the property** – Is being addressed.
- **North door and frame of old church replacement** – The door is totally rotted out and will be replaced with a new door and keypads.

Pastor's Report: A request was made for new software called Proclaim, which helps create the PowerPoint for our Sunday Service. The cost for this is \$25 monthly. A motion for this was made by Krista Hanson and seconded by Amy Johnson.

Discussion:
- Archives: Larry will be starting to work on the storage and organization of the archives with a group he has been working with.
- Digitizing the archives: We will start looking into the cost of digitizing the archives. We will start by asking the synod to see if they know of resources or costs. Other areas that were mentioned were Gustavus and Augustana.
- Other items: We also discussed that we currently have some leftover mugs and items from the 150th celebration. Some discussion was held on what to do with them. We will probably at some point, offer them for sale.
- How often to meet: At this point, we determined this committee will meet every quarter unless there is a need to meet sooner. The next meeting will be on Thursday, August 21st, at 6 pm in the church.

Faith Community Nursing Program –

Led by Sue Johannsen

- Mary Oyos, the Department Manager the Avera's Diabetes Center, spoke on Type 2 Diabetes on May 18th. The presentation was attended by 24 people. Information on Type 2 Diabetes, diet, exercise and general tips was reviewed. The presentation lasted approximately 40 minutes.
- A meeting was held with Pastor Josh and Jacqui on additional ideas related to education for the general congregation. Discussions included Parenting classes, Babysitting Education, Canning, and correct car seat installation and use. These ideas were explored, and a speaker for each has been found. Plans would be promoted with our congregation and youth, as well as opening them to the general community. We will consider a Babysitting class in July, Canning in August, and Parenting and Car Seat education in the fall. I would suggest no charge, but that can be determined based on the cost of the speakers. I will know more in the next week or so.
- We will also offer a class on heart, blood pressure, and cholesterol in September. Speaker to be a congregational nurse. Additional blood pressure and blood sugar testing for interested individuals will be done on the last Sunday in June.
- Additionally, I met with Pastor Josh about his wishes related to Communion preparation and set up. The table in front of the altar will remain, set up is unchanged, and an additional server for bread will be added. Pastor Josh will be the second bread server. No changes as of yet to Chapel until Josh has had a chance to be involved. A reminder to change the altar colors will be sent.
