Friends in Christ,

Greetings to each and every one of you from God our loving heavenly Father and our living Lord and Savior, Jesus Christ. I hope and pray that this newsletter finds all of you well, as we quickly head into the month of August.

When I was first introduced to Beaver Valley Lutheran Church through the synod and the call committee, I was told how fast this area was growing. After hearing about it through conversations and interviews, Kelli and I had the opportunity to see it for ourselves. We drove around Brandon, Sioux Falls and other areas. As we did, we noticed the new developments, the new retail centers and the new educational facilities. It quickly became clear that what we had been told was true. There is a lot of growth taking place.

As we saw this growth, we could also tell that God was moving in this place. There is a lot of excitement around all the things that are happening around us. We can feel this excitement when we interact with have conversations with other people. We can hear the enthusiasm in their voices and in their lives when they talk about new people and the new opportunities that have been and will continue to be discovered.

In this midst of this growth, God is also calling the families of faith in our communities to embrace what is happening around us. God is inviting us to be a part of the growth by helping us discern ways to share his love with our new friends and neighbors. Some of the ways we will do this will involve doing things we have been doing for many years while inviting new people to take part in them. This involves making our current activities and programming inviting to help people want to come and experience God's love with us in ways that are familiar to us but may be new to people who have never experienced them before.

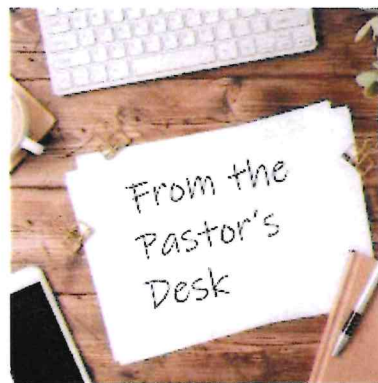

Other ways that we are being invited by God to embrace the growth around us will involve trying new things. Christians throughout history have been challenged to experiment to find new ways to share God's love and forgiveness with new people. In the coming months, we are going to talk about some new and different activities. The goal of these new things will be to get people to come to Beaver Valley Lutheran Church to see all that we have to offer and to experience God's love in this place for themselves.

It is never easy to try new things. These new activities will cause us to have to step out of our comfort zones and to be vulnerable. However, we also know that we are not doing these new things by ourselves. Jesus promises to be with us always. This means that he will be with us as we think of new ways to share God's love and when we put these ideas into motion.

As I write this, I want to give you an invitation. If you think of anything you think we can do to share God's love in this place, please let me know. I would enjoy thinking through ideas with you to help more people get to know Jesus at Beaver Valley Lutheran Church.

Just a thought...

Pastor Josh

Pastor Josh is working on getting into the area schools in some capacity.

- Quote for the month “When you focus on the people God has already placed right in from of you, that’s when real-world transformation happens – and the results are staggering” (Tom Mercer – author of “Not My Church”)
- Who is God putting right in front of us? How do we focus on them?
- Treat visitors as if they are already members.

MMSC: Motion to adjourn the meeting was made by Kelly Wright and seconded by Dennis Moritz.

- Mary Oyos, the Department Manager the Avera’s Diabetes Center, spoke on Type 2 Diabetes on May 18th. The presentation was attended by 24 people. Information on Type 2 Diabetes, diet, exercise and general tips was reviewed. The presentation lasted approximately 40 minutes.
- A meeting was held with Pastor Josh and Jacqui on additional ideas related to education for the general congregation. Discussions included Parenting classes, Babysitting Education, Canning, and correct car seat installation and use. These ideas were explored, and a speaker for each has been found. Plans would be promoted with our congregation and youth, as well as opening them to the general community.

We will consider a Babysitting class in July, Canning in August, and Parenting and Car Seat education in the fall. I would suggest no charge, but that can be determined based on the cost of the speakers. I will know more in the next week or so.

- We will also offer a class on heart, blood pressure, and cholesterol in September. Speaker to be a congregational nurse. Additional blood pressure and blood sugar testing for interested individuals will be done on the last Sunday in June.
- Additionally, I met with Pastor Josh about his wishes related to Communion preparation and set up. The table in front of the altar will remain, set up is unchanged, and an additional server for bread will be added. Pastor Josh will be the second bread server. No changes as of yet to Chapel until Josh has had a chance to be involved. A reminder to change the altar colors will be sent.

MMSC: Motion to adjourn the meeting was made by Jason Haak and seconded by Scott Hansel.. Motion carried.

If you know of someone who would like to be included in God's Creators student away from home mailing list, please send their current snail mail address to the church office or contact Ardell Johnson princessann@alliancecom.net.

Also looking for someone with some machine sewing skills that could help with sewing colorful fabric sample materials onto cardstock for making cards. Thanks in advance for helping with this mission project.

PRAYER GARDEN PROJECT UPDATE

The Prayer Garden is planted! A big THANKS to Kate Brick for all her hard work in getting things ready and keeping things organized. We still have a way to go with putting down mulch and adding the watering system, BUT it is so nice to see the plants in the ground. Thank you to Denis Andersen and Scott Hansel for working to get the watering system figured out.

We will continue with this tremendous project throughout the summer with additions of mulch, benches, and garden rocks. Thank You, Everyone!
