From the Pastor's Desk

Friends in Christ,

Greetings to each and every one of you from God our loving Heavenly Father and our living Lord and Savior, Jesus Christ. I hope and pray that this newsletter finds you finding moments of calm and steady in a time when our world and weather have

all been full of ups and downs!

February is always an interesting month. This is the month when we can begin to see some small signs of spring. At times, we can start to see some small patches of green grass in our yards. A few of the flowers that have been dormant for the winter months may begin to show some glimpses of life. At other times, during this month, we may see some more signs of winter. We all know we have Groundhog's Day this month, and Phil's predictions about the seasons are never wrong. We also know there have been years when some of the fiercest winter storms have come during this month. When we think it is time to put the plows, shovels and snowblowers away, we have the potential to receive several inches or even feet of that beautiful white stuff!

In the midst of everything going on February, this is also the month when we tend to celebrate love. When we go to the stores, we are surrounded by pink hearts and red balloons. We see candy, treats and cards we can purchase to help the people around us celebrate this gift of love.

Many times, when the month of February comes and we see all these reminders of love, we think that Valentine's Day is only for people who have a special someone in their lives. What would happen if we would reframe this holiday? What would happen if we would see this holiday as also being an opportunity for us to celebrate God's gift in the lives of everyone of his children?

This is the love that existed in the very beginning. When God created human beings, he created them to be creatures that could have a very special relationship with him. These people were meant to have a relationship with God that is close, intimate and loving! Because God loves these people, he shares every gift he possibly can with them to help them have lives in this world where they can survive and thrive. It is because God loves us that we are able to enjoy every gift we have in this world.

As we enjoy these gifts, we are invited to respond to God's love. We do this by worshipping God and loving the people God places in our lives! Valentine's Day is our opportunity to thank God for this great gift of love. It is also our opportunity to find someone who needs to experience this love in their lives. Is there someone you can reach out to this Valentine's Day who need to hear that God loves them? Is there someone you can share God's love with and show them that you are thankful that God has placed them in your life?

Just a thought...

Pastor Josh

BUNTROCK SCHOLARSHIP

Continue your involvement in the ELCA and find your home in a community of faith by joining the Buntrock Scholars Program at Augustana.

AU AUGUSTANA
UNIVERSITY

Who are Buntrock Scholars?

The Buntrock Scholars Program supports students who are active and engaged in ELCA (Evangelical Lutheran Church in America) congregations in the Midwest. The program is open to those who are involved in the church before and after graduation from Augustana University.

What is the Buntrock Scholars Program?

The Buntrock Scholars Program provides financial support for selected students attending Augustana. This competitive scholarship covers half of the net price of attendance at Augustana, up to \$13,000 per year. The award is renewable for three additional years, and it can be received alongside other academic and talent-based scholarships. The program benefits at least 30 first-year students each year. Students who receive and accept the Buntrock Scholarship participate in the full breadth of faith & spiritual life programming (worship, Bible studies, service events, etc.).

Requirements

Eligible students must be engaged in a Midwest ELCA congregation and remain in good academic standing at Augustana. After a student has applied and been offered admission to Augustana, they must complete a scholarship form, which when submitted will prompt the student's senior pastor to submit a recommendation. The donor's vision for this generous scholarship program is to partner with the student's congregation and synod to make college more financially accessible. Buntrock Scholarships will begin to be awarded to students in late November.

Learn more and apply at
