## Church Committees

Looking for a way to get more involved at Beaver Valley Lutheran Church? Joining a committee is a great place to get started.

If you've ever been interested, but weren't sure whom to contact, we've made it easy. Above you will find a list of our committees, along with their chairs. Feel free to reach out to them to learn more about what they do, when they meet, and how you can get involved.

There's a place for everyone, and we'd love to help you find where you fit in!

## From the Pastor's Desk

Friends in Christ,

Greetings to each and every one of you from God our loving heavenly Father and our living Lord and Savior, Jesus Christ. I hope and pray that this article finds all of you well now that we are heading into the last quarter of the year.

October is an important month for Lutheran Churches. Of course, the main reason this is an important month is because we get the opportunity to celebrate the Reformation. It is during this time of the year that we remember a young monk who decided to publicly challenge the prevailing religious authorities of his day by authoring a document that questioned certain practices within the church that seemed to be separating people from the church, from Jesus and from one another. When Martin Luther wrote the 95 Theses, a change in the church started that still continues to have an effect on what we do as Lutherans today.

Another reason that October is an important month is because many Lutherans (including those of us at Beaver Valley Lutheran Church) celebrate the rite (not right) of Confirmation. We get the opportunity to be there for our young people, as they stand up in front of our family of faith and affirm their Baptismal faith. This is a very important step for Christians to take. The group of students we will support this year have had Confirmation instruction from 3 different pastors, and they have had an amazing journey up to this point in their lives. I would like to personally invite all of you to join us on October 25<sup>th</sup> at our 9:30 worship service for this awesome celebration.

Along with these, the month of October is also the time when we start to gear up for the holiday season. We like to get ahead on our Thanksgiving, Advent and Christmas worship services and materials. Just this morning (September 28<sup>th</sup>), I placed an order for the ELCA Advent calendars and devotional materials that are like the ones we had last year. I have been doing this “early” preparation for several years because we never know what the next few months of the year will bring. I am sure many of us can remember certain times when there has been snow early, or there has been an unexpected in our lives. By getting things done early, we are ready for unforeseen circumstances and can navigate through them without worrying about getting Christmas Eve bulletins printed.

As we take part in these activities in the life of our congregation, there will be other events as well. The youth will have a lock-in on October 9<sup>th</sup>. We have our cookie competition and concert on October 10<sup>th</sup>. The congregation will select Council members at our semi-annual meeting on the 18<sup>th</sup> and then enjoy some time together at Homestead Brew that evening. Drive-thru prayer will be on the 21<sup>st</sup>, and we will have a congregational dinner at 5:30 pm on the 28<sup>th</sup>. Who knows what else will come up over the course of the month? It seems like God loves to surprise us and cause all kinds of live-giving activities to happen here!

October is a great month! It is full of tradition, rites of passage, and awesome activities. I hope and pray that you find a way to plug into what is happening at Beaver Valley this month. As you do, I would encourage you, as always, to invite a friend to come with you!

Just a thought...

Pastor Josh

## Does God Still Speak?

I know that some of the new things we are trying seem different compared to other activities that have been done at Beaver Valley in the past. For example, before COVID in 2020, how many of us tried activities like parking lot worship? I know I didn't. We may have done some outdoor services in my former congregations, but we did not take part in those activities on a regular basis unless it was in the summer.

Since coming to Beaver Valley Lutheran Church last year, it has become increasingly clear that God is calling us to do new things. I walk around the church building and the exterior spaces, and it seems as if we are being told to use our gifts in new and different ways. For example, Small Business Thursday began out of a conversation God and I had early one morning. God wanted me to go make someone's day. Now, I have found myself meeting so many wonderful people in our community. This has become a great way to connect to more individuals and to tell them that Beaver Valley Lutheran Church loves and cares for them! Along with Small Business Thursday, we have also had many fun events in and around our space! I hope you took part in the Rally Weekend carnival and/or concerts/worship experiences. That weekend was so much fun, it was such a blessing to be with so many people both days. We also shared a lot of joy and laughter! Again, this came from God speaking through someone else and telling me that we needed to try something different last year and then build upon it this year!

We are so blessed at Beaver Valley Lutheran Church. It seems like God is speaking and telling us to share our blessings and to be blessings to others. I can tell you I am not the only one who is hearing this. I can also tell you we have had amazing things happen through other people in this family of faith. I am blessed because I get to hear the stories of how our members are touching people's lives in response to God's goodness in their lives. It is awesome when God speaks and calls us to do things on his behalf!

Does God still speak? Yes, he does. When he does, he uses us in amazing ways!

## Family Table

October can be a busy month for families. Some families have youth sports events to attend and coach. Other families have concerts, dance and musical events in which they participate. Still others enjoy various hunting seasons that open during this month. There are many families that enjoy more than one of each of these types of events. No matter what we enjoy and do, October can be a month when our calendars are full.

When our calendars are full, there are times when we forget to give ourselves time to stop. We get so busy doing things that we forget about the importance of rest, relaxation and recharging. We think that running from event to event and activity is recharging us, but we forget that the feeling we are having is just adrenaline, and our bodies are actually draining more than we realize.

Eventually, we experience the consequences of this pace in some way or another. There are times when we find ourselves more run down than usual. We may also find ourselves short-tempered. There may even be times when our bodies get so run down that we find ourselves getting physically sick. These can be real issues for every one of us.

As families, we are invited to hold one another accountable and be examples to each other of how to take care of ourselves. This is as true for kids as it is for parents. There are times when children need to let their parents know that the calendar is too full and to ask for some genuine family time to enjoy doing things the family enjoys doing. Some of the best activities may not

involve running from one activity to another. They may involve working in the yard or just enjoying a favorite movie or television show.

Parents, we also have a responsibility for teaching our children how to take care of ourselves. We need to be transparent with our calendars and make space for doing the things that recharge us. Do you have intentional time for spiritual and physical activities? Are Bible reading, worship, and prayer showing up in your calendars? If they are not in your calendars, can you explain to your kids how you make time for those activities if you do not plan for them? Can you tell your children how you recharge and re-energize during the day or during the week to keep doing what you need to get done and to complete the tasks that need to be completed?

Self-care is not an easy thing. Many of us spend a lot of time moving from one thing to the next without checking in with ourselves. As we do so, we also forget to check in on other people.

October is a great month to take part in some activities that focus on taking care of you. We know the winter months are coming when temperatures and moods sink. Before these times come, it is good for us to put habits in place that help us take care of ourselves while encouraging others to do the same!

## Youth News You Can Use!

October is a busy month for our youth program at Beaver Valley Lutheran Church. We have several activities on the calendar right now, and we may add more as the month progresses. Here is what we have so far:

October 4<sup>th</sup> – 6:00 pm – we will have one of our youth hangout at the church nights. We have decided to focus these around our National Youth Gathering Bible studies this year. This will allow the youth going on the trip to learn a little more about the gathering before they leave for Minneapolis, and these studies will help us grow closer together as a youth group in our congregation. I would invite any and all youth between grades 6 and 12 to come and be a part of these times together!

October 9<sup>th</sup> – 6:30 pm – LOCK-IN!!!! We have had many requests for a youth lock-in at Beaver Valley Lutheran Church, and we have decided to go for it! We will meet at the church at 6:30 on Friday night, and the kids will be ready to be picked up at 8:00 Saturday morning. This is going to be very fun, and we will get the chance to enjoy some games, snacks, activities and fellowship with one another. If parents want to help chaperone this event, that would be absolutely amazing! Please contact Pastor Josh and let him know if you are willing to help!

October 10<sup>th</sup> – 1:00 pm – 3:00 pm – the New Horizons Band will be playing at Beaver Valley Lutheran Church, and we will be having a cookie contest along with ice cream to enjoy. If the youth want to enter cookies in the contest or come and help with the event, that would be absolutely amazing!

October 25<sup>th</sup> – Confirmation Sunday – we have 4 young people who are going to stand up in front of Beaver Valley Lutheran Church and affirm their Baptismal faith. This is an awesome moment for them, and it is an important day for our entire congregation. I would highly encourage everyone to come to worship on the 25<sup>th</sup> and support these young people, as they take this important step in their journeys of faith!

October 28<sup>th</sup> – Reformation Party during Confirmation. We will gather at 6:45 and discuss the Reformation together. When we are done with our discussion, we will play games and celebrate being Lutheran Christians! It will be a great time for everyone involved!

When we gear up for fall at Beaver Valley, God gives us lots of momentum! There are many activities for everyone in this congregation. This month, I am asking everyone to plug in somewhere to enjoy being together and having a lot of fun!

### **Good Grief – Healing Through Community – Mondays in November – 6:00 – 7:00 pm**

*Good Grief* has helped millions of readers find comfort and rediscover hope after loss. It identifies ten stages of grief--shock, emotion, depression, physical distress, panic, guilt, anger, resistance, hope, and acceptance--but, recognizing that grief is complex and deeply personal, defines no right way to grieve. Whether mourning the death of a loved one, the end of a marriage, the loss of a job, or other difficult life changes, readers will want to return to these wise resources year after year as they are shaped by their journey.

### **2027 Offering Envelopes**

Please let the office know if you are wanting offering envelopes for the year 2027. We will be creating our own offering envelopes for those who wish to use them. The old envelopes are very costly, and the quantity needing to be ordered was way more than we used. Jacqui will be gathering names and assigning envelope numbers to everyone who would like them. Please let her know by the end of October. The packet of envelopes will be ready to be picked up on Sunday, December 20<sup>th</sup>, 2026.

### **ATTENTION SENIORS:**

Please start submitting your Senior pictures and future plans to the office. Jacqui is starting to gather information to spotlight our seniors in future Tidings. You can either drop the picture and

information off, or you can email it to the office [office@beavervalleylutheran.org](mailto:office@beavervalleylutheran.org)
